## INSTRUCTIONS

- Your Values represent what's important to you in life. Knowing your Values helps you understand what drives you, what you enjoy, what inspires you and what you'd like more of.
- By **building a life & lifestyle around our values** we create a **life that is satisfying and meaningful** to us.
- IMPORTANT: Values change over time, and deepen as you understand yourself better - they are always moving. Your Values can also be situational eg. what's true for you at work may not be true for you at home.
- Finally, the Sample Values List below is ONLY to give you ideas. We are each unique, so there will undoubtedly be words that are missing from this list, and different words that sum up your Values better. So feel free to amend or add to the words in the list below.

Your actions become your habits,  
Your habits become your values,  
Your values become your destiny."
